

### **Who We Are**

We know times can get tough and hunger or lack of clothing is a problem that we look to help solve. ATG is a charitable organization that has been established to expand resources from a few donating friends to a larger reach for the community to absorb. We are a new organization established in 2016 with offices located at 14399 US HWY 19 N, Clearwater, FL 33764. Our building allows us to store and distribute food and clothing for the homeless, and families in need. It also serves as a food bank, and a facility where donations can be delivered by the public. Our outreach serves Pinellas County and neighboring areas.

### **Homeless**

Our homeless outreach gives us a chance to give wholeheartedly to people that are on the street, hungry and in need of some of the items that most of us take for granted. We typically deliver ready to eat food, warm clothing and blankets for winter as well as rain coats, ponchos, shoes and socks.

### **Our Food Pantry**

Food is truly the life-blood of living on the street and the security of a struggling family. That is why we have made it our mission to operate a food pantry that restocks regularly to be able to feed as many people as possible. Our food pantry is located at our Clearwater address and feeds up to 300 people per week.

### **How We Handle Your Donations**

Our organization is an extended arm of help to the homeless and families in need. We do not operate thrift stores or retail locations. All donations of money are converted into food and clothing items that can be directly distributed to the homeless, needy, families and children. A

cash donation of \$1 is the equivalent to \$7 of food or \$30 of clothing because of our suppliers and partnerships. All donations are tax deductible. Your donation can help hundreds of people eat better, sleep better and live a better life.
